- Other Items

-
- Walk through of A/V Set Up

MEMORANDUM

TO: NICOLE ARD
CITY MANAGER

CITY COUNCIL

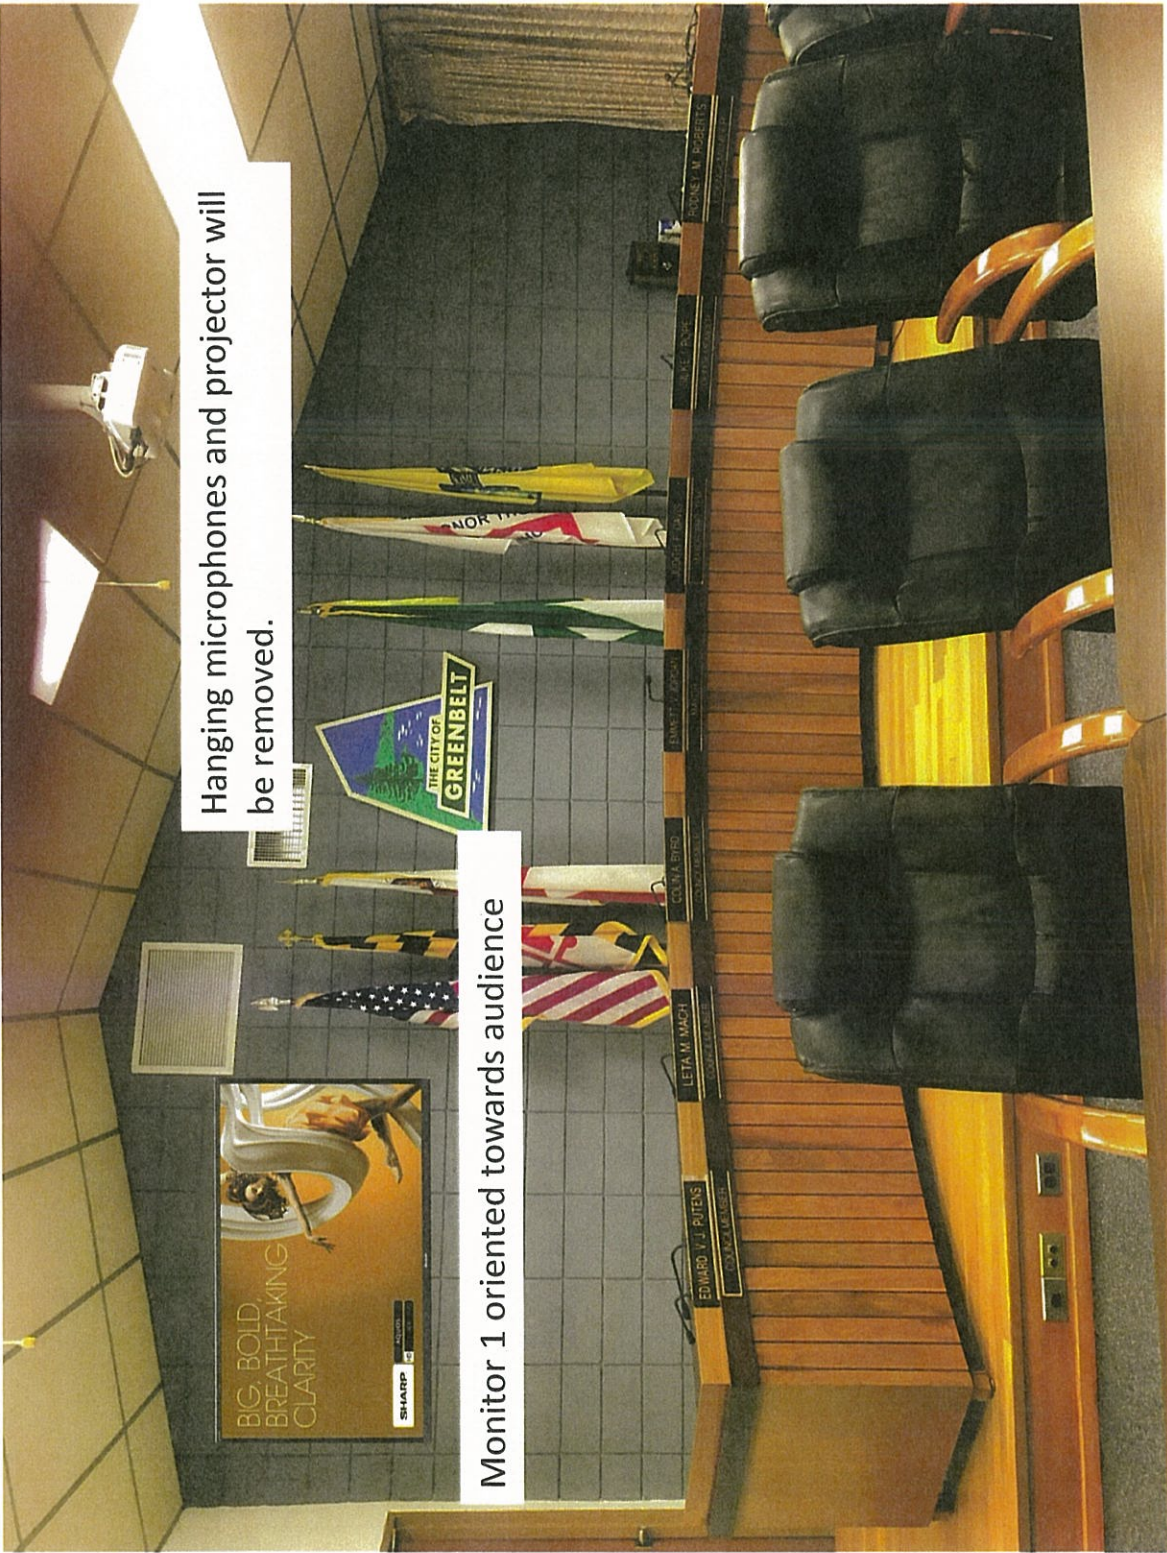

FROM: BEVERLY PALAU
PUBLIC INFORMATION COORDINATOR

SUBJECT: COUNCIL ROOM UPGRADE

DATE: 2/9/18

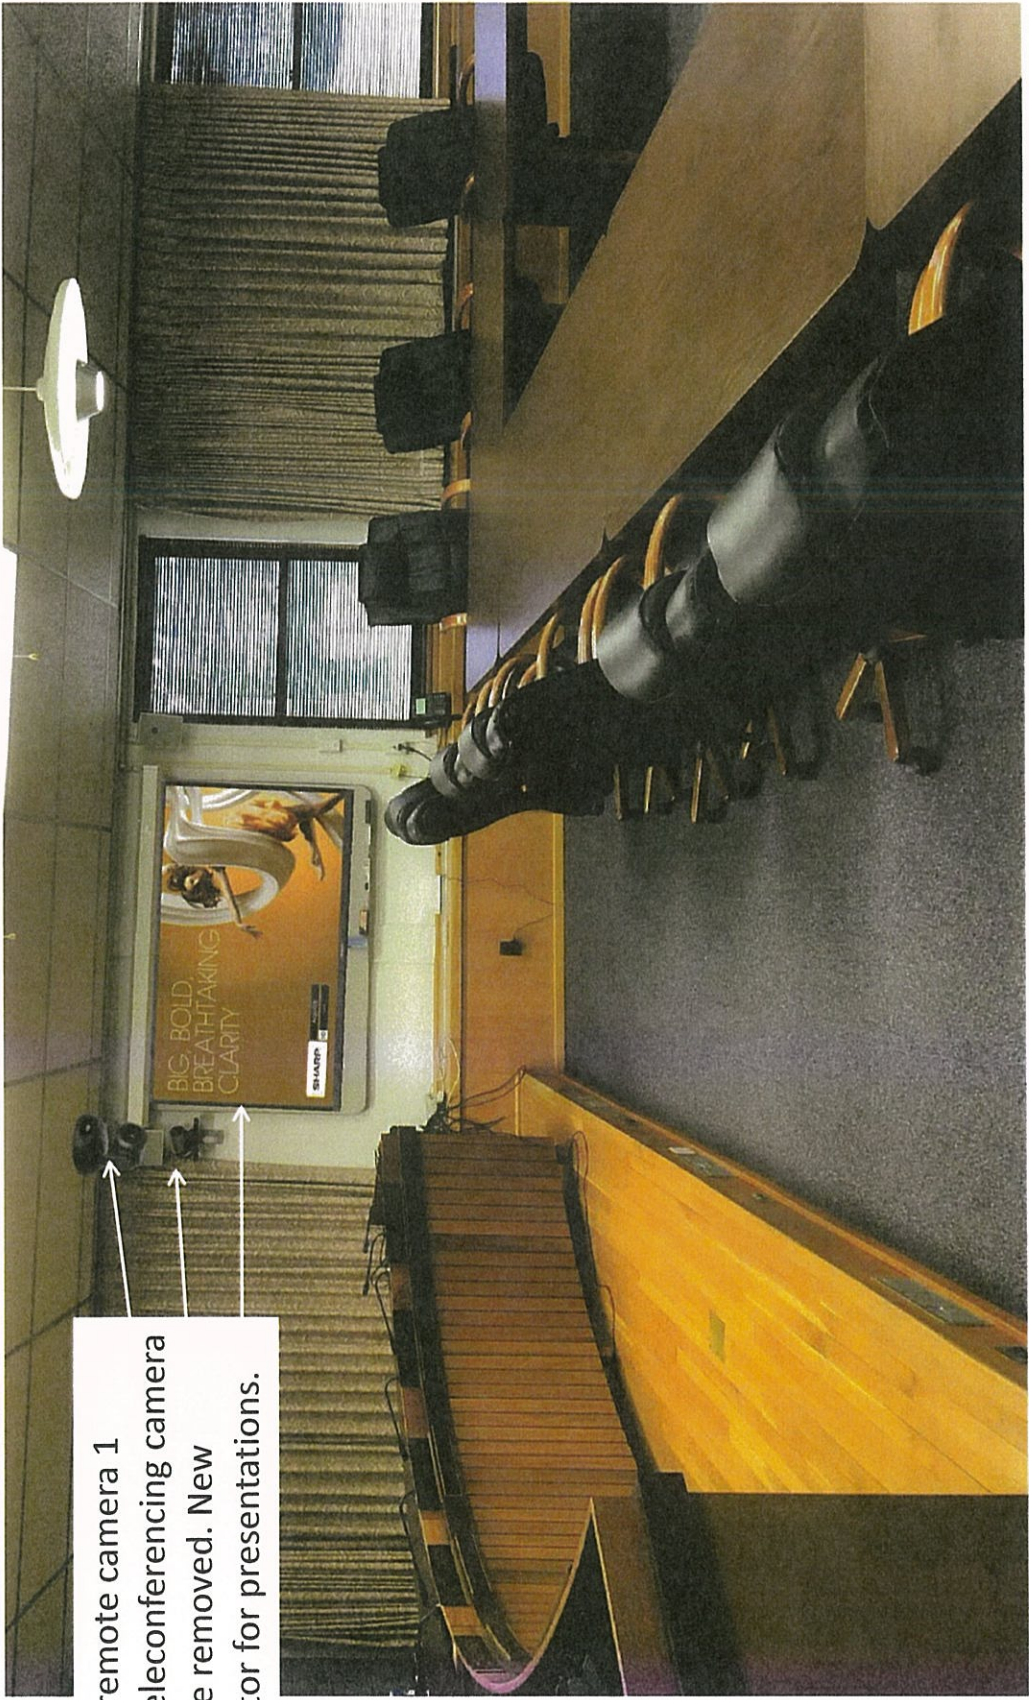

Attached are some photos showing you where the five cameras and the monitors will go. I believe that was a concern for City Council. Please look at these and let me know if I can proceed with the project. I would like to get this done this fiscal year and it takes a while to order the equipment and schedule the install. Thank you so much,

Beverly

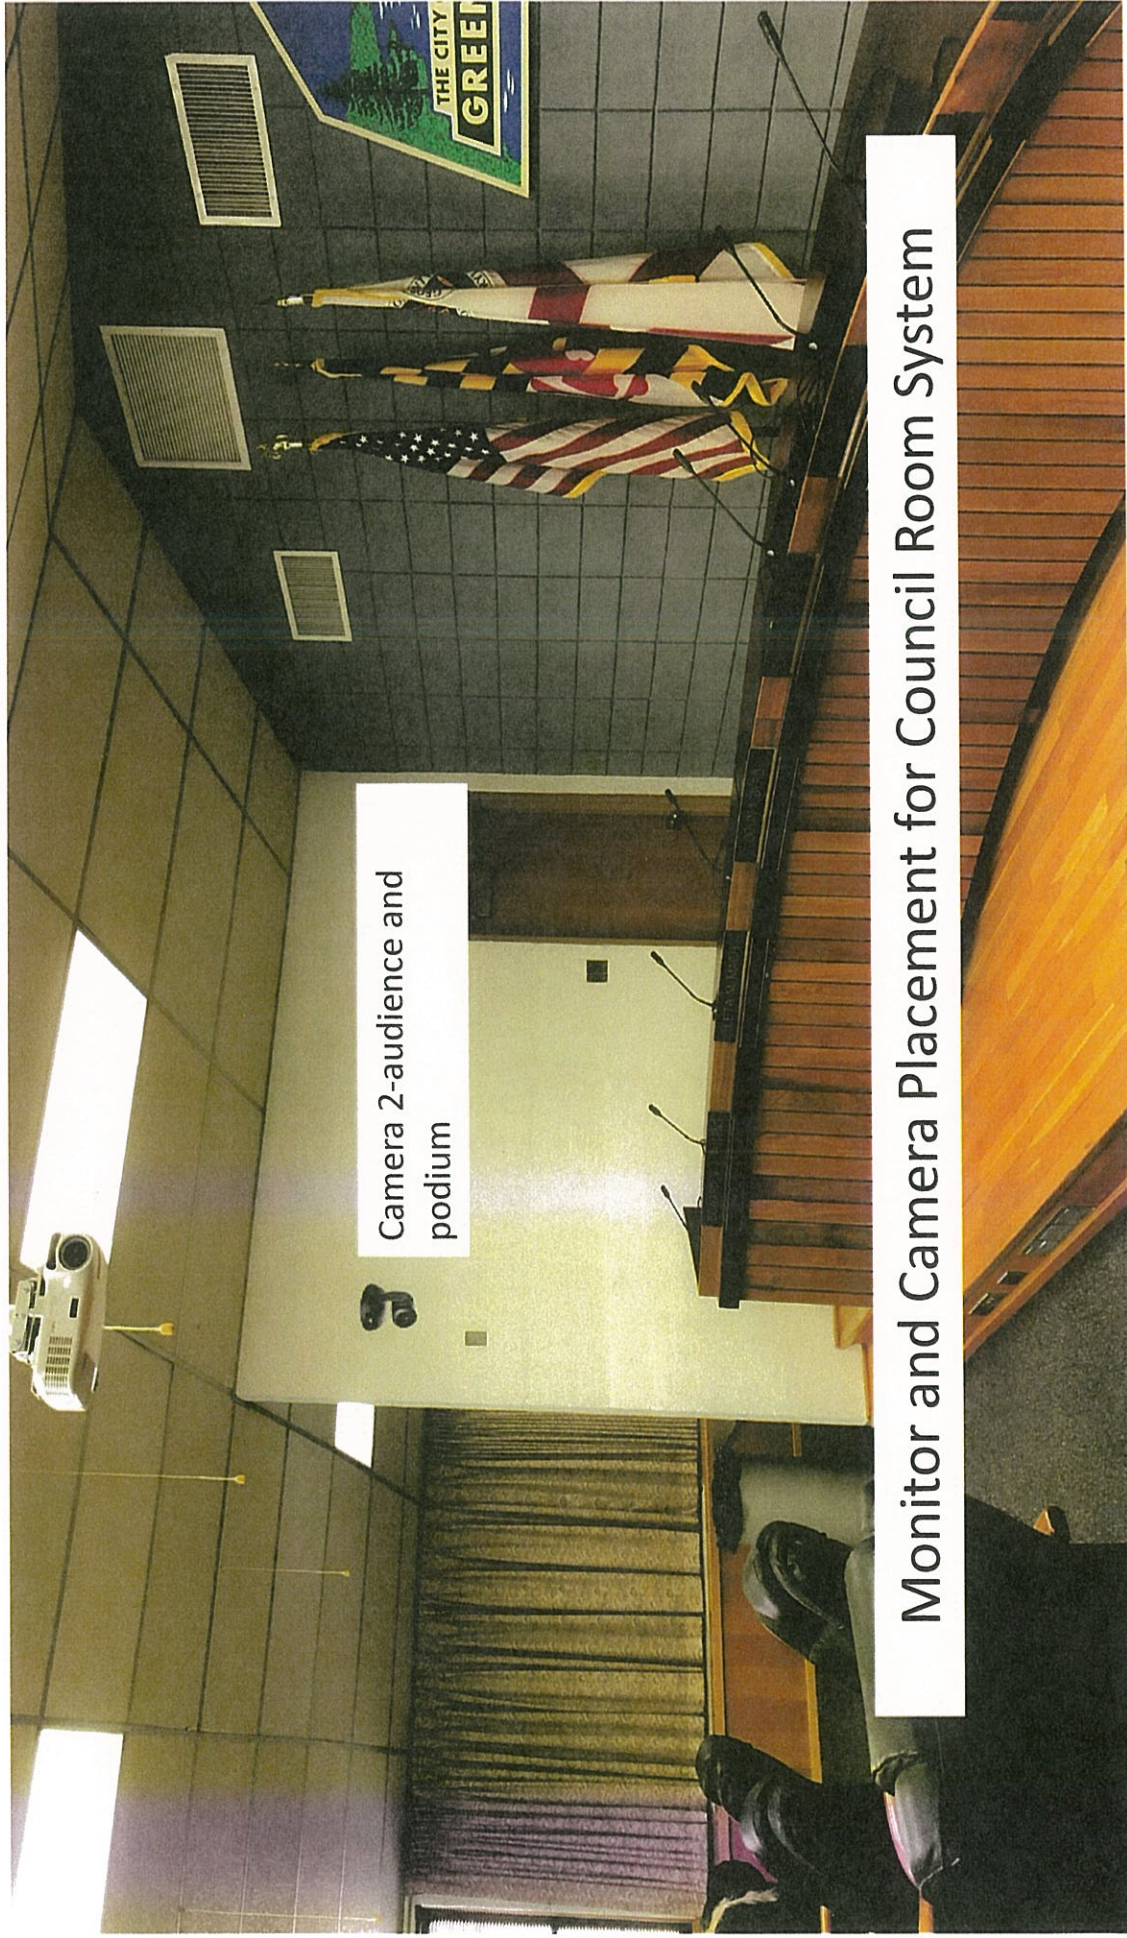

Hanging microphones and projector will be removed.

Monitor 1 oriented towards audience

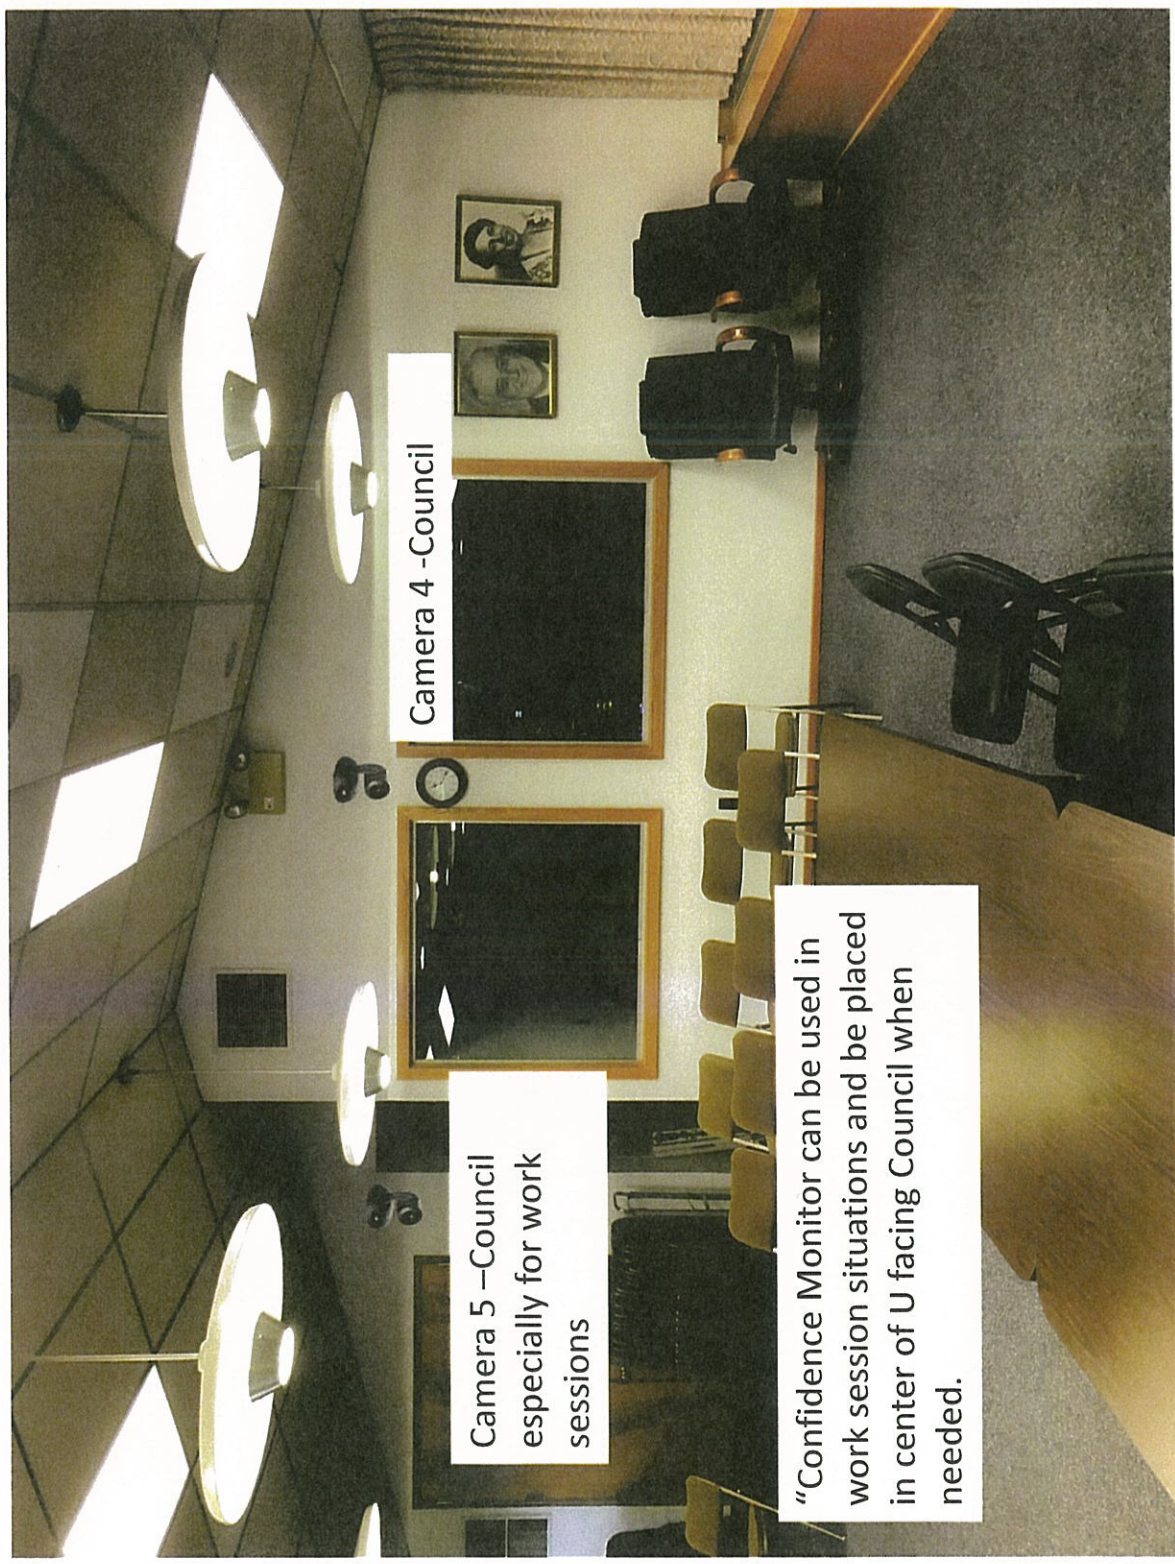

New remote camera 1
Old teleconferencing camera
will be removed. New
monitor for presentations.

Camera 2-audience and
podium

Monitor and Camera Placement for Council Room System

Camera 4 - Council

Camera 5 - Council
especially for work
sessions

"Confidence Monitor can be used in
work session situations and be placed
in center of U facing Council when
needed.
